

FREEDOM SUNDAY

Quick Facts

The Message

Jesus was the original Abolitionist and His message of freedom will be proclaimed around the world. There are still 27 million people living in captivity. The church needs to lead the movement to set the captives free.

The Movement

The Not For Sale Campaign equips and mobilizes Smart Activists to deploy innovative solutions to re-abolish slavery in their own backyards and across the globe. Together, we can end slavery in our lifetime.

The Action

On March 13, 2011 churches around the globe will be singing redemption songs and preaching on the subject of "freedom." Many churches are prayerfully considering a special offering during services to benefit the global projects of the NFSC.

The Follow-up

A follow-up event will be made available to each church participating in Freedom Sunday. This low-cost event will be a multimedia presentation that includes live worship, video and updates on all the projects supported by Freedom Sunday churches.

The Reason

"The Spirit of the Lord is upon me, for he has anointed me to bring Good News to the poor. He has sent me to proclaim that captives will be released, that the blind will see, that the oppressed will be set free..."

Luke 4:18 (NLT)

The Underground Church Network is a group of churches and faith-based leaders that live the Gospel of Jesus Christ by educating the mind, engaging the heart, and empowering the soul with all our combined strength (Matthew 22:37). We focus on the moral issues of human trafficking and seek to create innovative solutions that will help end slavery in our lifetime.

Membership into the Underground Church Network has many benefits and is as simple as participating in Freedom Sunday, March 13, 2011.

On that day, the NFSC will be encouraging our 250,000+ supporters to attend participating churches

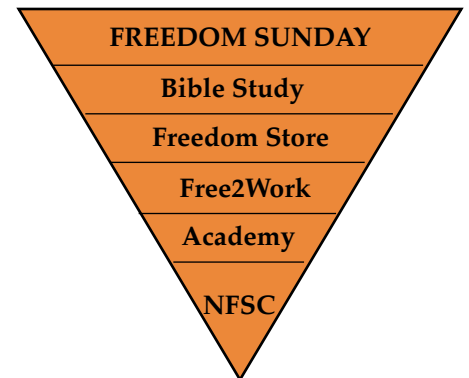

around the world to hear messages on the freedom that Jesus promises us all. Freedom Sunday churches will be praying for the captives, singing songs of redemption and prayerfully considering taking an offering to support the global projects of the Not For Sale Campaign. The monies raised will allow us to:

- Offer safe haven to enslaved children in **Peru**
- Build schools for rescued child soldiers in **Uganda**
- Prevent the trafficking of thousands of **Nepalese** women into India's sex industry
- Provide medicine to hundreds of kids delivered from bondage in **Thailand**
- Investigate and intervene in slavery cases in **Your Backyard!**

Should your church decide to become involved with the Underground Church Network on a deeper level, you will have access to our incredible Bible study, abolitionist handbook and other tools for becoming a beacon of freedom in your community. You could start a Freedom Store Outpost in your church, take a mission trip to one of our international projects or even send a few church members to one of our Investigator Academies to become a certified human trafficking investigator and learn after-care techniques to help in the restoration process of victims.

Your church will be featured on our website www.ucnmap.org as we message our engaged supporters through our extensive networks and ask them to support your church!

For more information please contact UCN Co-Director, Kevin Austin at Kevin@notforsalecampaign.org.
